

Glytone Sunscreen Lotion Broad Spectrum SPF 40

Pierre Fabre Dermo-Cosmetique USA introduces Glytone Sunscreen Lotion Broad Spectrum SPF 40, a mineral-based formula for face and body with micronized zinc oxide, octinoxate, and octisalate. The lightweight formula is water resistant for up to 40 minutes and contains hyaluronic acid to nourish the skin and help boost natural moisture levels to visibly reduce the appearance of fine lines and wrinkles. For more information, visit www.glytone-usa.com.

proactivMD

The Proactiv Company launches the proactivMD Essentials System, a 3-step acne regimen that has been reformulated to include the topical retinoid adapalene. Step 1 is the Deep Cleansing Face Wash formulated to help clear dirt and debris from deep within the pores. Step 2 is the Balancing Toner, an alcohol-free formula that contains a light astringent to sweep away impurities leaving the skin feeling fresh and balanced. Step 3 consists of the Daily Oil Control Moisturizer (morning), which protects the skin and controls shine, and Adapalene Gel 0.1% (evening) to speed acne healing and prevent new acne from forming.
