## **Avène Complexion Correcting Shield SPF 50+**

Pierre Fabre Dermo-Cosmetique USA adds the Avène Complexion Correcting Shield SPF 50+ mineral sunscreen to its physician-dispensed sun care line. This tinted moisturizer, available in 3 shades, provides 24-hour hydration and an effective antioxidant defense against sun-induced free radicals. Avène Complexion Correcting Shield provides an instant blurring effect to camouflage skin imperfections such as large pores, uneven skin tone, redness, fine lines, and wrinkles. For more information, visit [www.aveneusa.com](http://www.aveneusa.com).

## **Coppertone Clearly Sheer Whipped Sunscreen**

Bayer introduces Coppertone Clearly Sheer Whipped Sunscreen, a rich and creamy formula available in sun protection factor 30 and 50. Coppertone Clearly Sheer Whipped Sunscreen absorbs quickly to leave skin feeling soft and smooth. It offers broad-spectrum UVA/UVB protection and is water resistant for up to 80 minutes. For more information, visit [www.coppertone.com](http://www.coppertone.com).

## **DerMend Mature Skin Solutions**

Ferndale Healthcare launches DerMend Mature Skin Solutions, an over-the-counter line consisting of 3 products specifically designed for patients aged 50 years and older. The Fragile Skin Moisturizing Formula rejuvenates thin and fragile skin with hyaluronic acid, retinol, glycolic acid, niacinamide, and 5 ceramides. The Moisturizing Anti-Itch Lotion is steroid free and contains pramoxine hydrochloride 1% to provide temporary relief of itching associated with minor skin irritations. The Moisturizing Bruise Formula (cream or lotion) improves the appearance of bruised skin with a blend of ceramides, glycolic acid, arnica oil, and retinol to restore and rejuvenate the skin's natural barrier. For more information, visit [www.dermend.com](http://www.dermend.com).

## **Jan Marini Sunscreens**

Jan Marini Skin Research, Inc, introduces Antioxidant Daily Face Protectant SPF 33 and Marini Physical Protectant SPF 45, both providing broad-spectrum UVA/UVB protection. Antioxidant Daily Face Protectant provides oil control and advanced hydration for daily use to reduce and address damage caused by sun exposure. Marini Physical Protectant utilizes purely physical filters to decrease the risk of premature skin aging and features a universal tint with a sheer matte finish. For more information, visit [www.janmarini.com](http://www.janmarini.com).
