August 18-19

2012 Update in Gastroenterology and Hepatology for the Primary Care Practitioner Olympic Valley, California

This activity is designed for primary care physicians, nurse practitioners, physician assistants, and nurses. The courses are knowledge based and designed to change physician competence. A broad range of gastroenterology and hepatology digestive disease topics are based on feedback from past participants and physician needs assessment surveys. These topics include the choice of treatments for the diagnosis and management of chronic hepatitis B and C, chronic diarrhea, diverticular disease, chronic abdominal pain, and dysphagia. The 2-day conference will identify educational needs and provide practitioners with state-of-the-art tools to improve treatment options for their patients. The faculty has been chosen because of their comprehensive clinical experience and academic excellence. This activity offers up to 10 Category 1 CME Credits. To register or for more information, phone: (866) 263-4338 or (916) 734-5390, fax: (916) 734-0776, e-mail: vickie.hidalgo@ucdmc.ucdavis.edu, or visit <http://cme.ucdavis.edu/conferences>.

E-mail: info@symposiamedicus.org

Is your organization planning a meeting you believe would interest federal practitioners?

If so, send us the official meeting name, dates, location, continuing education information, and contact information (telephone, fax, e-mail, and website) at least 2 months before the meeting is scheduled, and we'll try to include it in an upcoming Meetings & Events. Please e-mail meeting information to fedprac@qhc.com or fax it to (973) 206-9251.
