April 18-21

National Osteoporosis Foundation Interdisciplinary Symposium on Osteoporosis 2013 (ISO13) Chicago, Illinois

The Interdisciplinary Symposium on Osteoporosis (ISO13) provides the most current, clinically relevant and evidence-based information on the prevention, diagnosis, and treatment of osteoporosis.

The ISO is unique in that it is the only professional meeting in the U.S. that encompasses all medical disciplines and specialties involved in the treatment of patients with and at risk for osteoporosis and fractures. ISO13 is designed for physicians, nurses, nurse practitioners, physician assistants, pharmacists, dietitians, radiology technologists, physical therapists, and occupational therapists. The symposium offers up to 23.5 Category 1 CME Credits. For more information phone: (800) 231-4222; fax (202) 223-2237; visit the website at <http://www.nof-iso.org/home>; or e-mail: NOFMeetings@NOF.org.

Abbreviations: ACPE = Accreditation Council for Pharmacy Education; ANCC = American Nurses Credentialing Center.

All meeting information verified as of press time. Credits listed are limited to CME offered through the Accreditation Council for Continuing Medical Education; nursing credit offered through the ANCC, national nursing organizations, or individual state nursing boards; and pharmacy credit offered through the ACPE or individual state pharmacy boards. Meetings may offer additional credits through other professional associations. Contact the meeting sponsor for more information.

Is your organization planning a meeting you believe would interest federal practitioners?

If so, send us the official meeting name, dates, location, continuing education information, and contact information (telephone, fax, e-mail, and website) at least 2 months before the meeting is scheduled, and we'll try to include it in an upcoming Meetings & Events. Please e-mail meeting information to fedprac@qhc.com or fax it to (973) 206-9251.
