

## Erratum

Due to a submission error, the figure caption for the article “Vitamin B<sub>12</sub> Deficiency: A Case Report of Ongoing Cutaneous Hyperpigmentation” (*Cutis*. 2003;71:127-130) is incorrect. The figure and the corrected caption appear below.

*Cutis*<sup>®</sup> makes every possible effort to ensure accuracy in its articles and apologizes for the mistake.

Resolution of the patient's cutaneous hyperpigmentation after 2 months of therapy.
