

PRODUCTS

Slow-Release Benzoyl Peroxide Cream
NeoBenz Micro SD benzoyl peroxide cream is indicated for the treatment of mild to moderate acne vulgaris. The formulation is delivered by a single-dose applicator and uses microsponge technology. The cream is available in two prescription strengths, 3.5% and 5.5%. For more information, contact SkinMedica Inc. by visiting www.skinmedica.com/home.

Gentle Dyschromia Cream Available
Remergent HQ, a 4% hydroquinone lightening cream, is available through a prescrip-

tion or at select medical offices for treating dyschromia. The cream's ingredients and the exclusion of an acidic formulation make this product a gentle treatment for people with ultraviolet-induced dyschromia, skin discoloration from medications, skin trauma, and postpregnancy hormone therapy. For more information, visit AGI Dermatics at www.agiderm.com.

Telephone Medical Billing Software
A new telephone-based medical billing program gives physicians the ability to immediately process medical claims. The

Dr Speak software program allows claims to be made through voice recognition, touch tone, or manual telephone entry. For more information on Dr Speak, developed by VoxTech Products Inc., visit the company Web site at www.drSpeak.com.

Devices Target Venous Disease
CircAid Medical Products has a line of nonelastic devices for treating lymphedema and venous disease. Included are adjustable seven-band Ready-Fit 2000 and eight-band Ready-Fit Classic-Flex devices. The Custom Below-Knee Leggings also treat lymphedema and venous in-

sufficiency using the adjustable band system and built-in padding to give a uniform gradient. For more information on the products and ordering, phone 858-576-3550 or 800-247-2243 or visit www.lymphedema.biz/contact.htm.

Clobex Spray in New Bottle Size
Twice-daily Clobex spray (clobetasol propionate) from Galderma Laboratories is now available in a 4.25-fluid-ounce non-aerosol spray. Clobex is indicated for the treatment of moderate to severe plaque psoriasis. For more information, visit www.clobex.com.
